

Awards Policies

Academic Awards

There are a number of awards that a pupil can attain during their time at school.

Merits

These are given for specific pieces of good quality work at the discretion of the subject teacher. The pupil's tutor collects them and the Academic Secretary collates the information. Pupils can then earn the following academic certificates:

- Bronze for being awarded over 25 Merits in the space of a single academic year;
- Silver for being awarded over 50 Merits;
- Gold for being awarded over 75 Merits.

There is a House competition and all merits awarded are accounted to the pupils' House.

Commendations

These are awarded for exceptional pieces of work at the discretion of the Headmaster and the senior staff of the School. The subject teacher presents the work to the Headmaster and consideration is given. The Headmaster awards all commendations in an assembly of the School.

The Crane Medals of Merit

These are awarded, at the Headmaster's discretion, to those hard working pupils, who have achieved through academic commitment the prospect of securing the highest grades.

The Crane Medal of Distinction for Outstanding Academic Achievement

These are awarded, at the Headmaster's discretion, to that Upper VI former who, by dint of sustained academic commitment though out the year, has earned the right to expect the highest grades both from the examinations, the School and from the chosen place of tertiary education.

Sports Awards

At Peponi School, we encourage our pupils to reach their full potential in all aspects of sport. An important aspect of this encouragement is to recognise and award those learners who have excelled on and off the sports field. Colours are objective and transparently awarded to these individuals. The colours system is designed in such a manner as to facilitate the continual drive for excellence and improvement throughout their schooling career at Peponi School.

Peponi Sports has a number of outstanding athletes who compete and represent the school at a variety of levels. As a school we are keen to award pupils for their attitude, achievement and effort towards sport.

Sports Honours (Senior Award)

A Sports Honours Award can be attained for a sporting achievement in excellence and consistency for a designated period of time for a number of different sports.

The pupil must be a role model for all pupils in the school and an ambassador for the school on and off the field in all sports.

This is awarded to an exceptional sportsperson who has gained Full colours in no less than 4 different sports.

Pupils must have played at a representative level in at least one sport and must have an exemplary attitude towards training outside of school with their sport's National Governing bodies. The ability to demonstrate outstanding sportsmanship on and off the field is essential.

Award:
