

Teaching Vacancy for January 2024
Economics and Business Studies
(Part-time with potential for full-time)

We are looking for an enthusiastic and energetic teacher to join one of Kenya's leading schools.

Located in the wonderful countryside about 20 km outside Nairobi, Peponi is highly regarded and educates over 300 children aged 11 to 18. Highly regarded for the quality and breadth of its education and for its very strong child-centred ethos, Peponi prepares students for entry to leading universities around the world. Most of the pupils are boarders and there is a very strong sense of community, with family-style relationships between staff and pupils.

The school's vision is to be "among the best schools in East Africa" and our continued substantial investment in premises and resources underlines the Board's commitment to this goal.

We are now seeking an exceptional Teacher of Business and Economics who is truly enthusiastic about these subjects. You should have excellent subject knowledge and be capable of teaching from Year 10 up to A level. What we really want is someone who can really excite and inspire our pupils, bringing the worlds of Business and Economics to life. You must be able to support each individual's growth and development, encouraging and inspiring them to achieve and be the best they can be. You do not need to have had experience in the independent sector. You must be passionate about your subject and be a first-class teacher with good experience, fresh ideas, plenty of enthusiasm, and a drive for quality. You must obviously be capable of teaching the subject up to A Level standard and keen to work in a busy, collegiate, boarding environment. Experience in the independent sector will be an added advantage.

If you're excited by the sound of all this, please download the application form from the school website www.peponischool.org and send your application to applicants@peponischool.org.

Closing date for applications: **17th November 2023**. Earlier applications are very welcome.

Interviews: These will take place at Peponi School from the week beginning **20th November 2023**.

Peponi School is committed to safeguarding and promoting the welfare of children. Applicants will be subject to child protection screening, including checks with past employers.

Mr. Mark Durston
Headmaster
Peponi School
